Dear PlaySchool Families:

It is hard to believe that we are just a few days away from the final month of Playschool. Our school year has been full of new experiences, building friendships and creating a love of learning together. The month of May is going to be a busy one, full of exciting events and celebrating our year together.

Our skills this month are the colors Black and White and creating and understanding stripes. We will also review all the shapes and colors from the year. The math concepts for the month are counting objects and recognizing numbers 1-10. Our classroom themes are Spring brings new life and Animals and their babies.

Our Christian Education focus is "The Lord is my shepherd" Psalm 23:1. We will learn that like a shepherd cares for and watches over his sheep, the Lord loves us and takes good care of us.

The children are doing an excellent job reading their name and their friends' names. We will continue to work on writing/tracing our own name.

**A few things to mark on your calendar:**

**Tuesday, May 14 is Black and White Day. We will wear black and white clothes, explore black and white art and eat black and white foods.**

**Monday, May 20 is Beach Day. This is an outdoor play day. Children may wear their swimsuit under their clothing, we will play in the water, have fun with bubbles and a few surprises. Please apply sunscreen to your child before school. Thank you.**

**Thursday, May 23 is the Last day of school: Parents are invited to attend the end of the year awards, photo album presentation and snack held outside in our play yard at 12:15pm.**

Thank you for sharing your precious child with us this school year. We have loved our time with each one of them. We have had a special year of new friendships and wonderful memories together.

In His Love,
