## LECTIONARY 17

Matthew 13:31-33, 44-52

### About This Week's Story

Parables are an earthly story with a heavenly meaning. These parables use common people, places, and experiences to communicate how great the kingdom of heaven is. Read through these parables of Jesus and then try to come up with a parable of your own!

### Family Prayer

Dear God, sometimes it's hard to wrap our minds around your love for us. Thank you for sending your son Jesus to live among us and help us understand you and your kingdom. Open our eyes to see your kingdom all around us. Amen.
