Matthew 14:22-33

About This Week's Story

In this story, Jesus appears to the disciples in a rather unusual place—walking on water in the middle of a lake! At first, the disciples don't believe their eyes, but once they do, they are inspired to worship Jesus as the Son of God.

Family Prayer

Dear Jesus, sometimes we forget just how powerful you truly are. As you reminded the disciples when you walked on water, remind us today so that we might not doubt, but instead put all our faith in you. Amen.
