Dear PlaySchool Families:

Welcome to January 2023! I hope you enjoyed a wonderful holiday season and winter break. I am very excited to be back in the classroom with the children.

January is going to be an exciting month as we jump into learning about winter, snow, dinosaurs and feelings. Our skills this month are the color blue and the diamond shape. The math concepts this month are counting objects and recognizing numbers 1-6. We will also be working on matching items.

The Christian Education unit for the month is the story Jonah and the big fish. We will discuss that God is always with us, He always hears our prayers and He forgives us when we say we are sorry. Our Bible verse is Jonah 2:1 "From the inside of the fish Jonah prayed".

This time of year is typically cold and flu season. Please help us keep our classroom healthy by reviewing our illness policy located in your Family Handbook. Thank you, we greatly appreciate your understanding as we work together to provide a fun, healthy learning environment for the children.

If you have any questions regarding the illness policy or any other classroom policies please feel free to call or text me any time.

In His Love,
Mrs. Babino

If you're wearing something blue, tap your hands
If you're wearing something blue, then stomp your feet too

Whale did swallow Jonah down.
