Sunday Funnies

LECTIONARY 14

Matthew 11:16-19, 25-30

About This Week's Story

We all know that life can get crazy. Whether you're busy, stressed out, overwhelmed, or just plain tired, God knows all about it. Write down one or two things that are stressing you out and talk about how you can give those things over to God.

Family Prayer

Gentle God, when our lives get busy, remind us that you are near. When we are tired, let us trust that you can give us rest. Thank you for loving us and taking care of us. Amen.
