March 1, 2024

Dear PlaySchool Families:

With a peek at Spring a couple weeks ago the children are very excited for warmer weather as we move into the month of March. Please send a jacket each day as we will play outside weather permitting.

March brings new opportunities of learning as we explore through play our themes of Shamrocks, St. Patrick's Day and Bugs/Insects. Our skills this month are the color Green and the Rectangle shape. The math concepts for the month are counting objects and recognizing numbers 1-8. We will also be working on matching items.

The children are doing an excellent job at reading their name and their friends' names. We will continue to work on writing/tracing our own name.

The Christian Education unit for March focuses on Jesus' Miracles. We will learn stories of several different miracles during the life of Jesus. In our discussion time we will learn one way to share Jesus with others is to share the stories of His life. Our Bible verse for the month is "Let your light shine" Matthew 5:16

Open enrollment for the 2024-2025 School year opens to all families currently enrolled at Kingdom Kids on March 1. Registration details and forms are included in your monthly folder. Open/public enrollment will open April 1st, details will be available on the website and our FaceBook page.

If you have questions regarding Fall classes please talk with me after class or feel free to call/text me at 509-295-3044. Thank you

In His Love,  
Mrs. Babino
