Dear PlaySchool Families:

It is hard to believe that we are just a few days away from the final month of Playschool. Our school year has been full of new experiences, building friendships and creating a love of learning together. The month of May is going to be a busy one, full of exciting events and celebrating our year together.

Our skills this month are the colors Black and White and creating and understanding stripes. We will also review all the shapes and colors from the year. The math concepts for the month are counting objects and recognizing numbers 1-10. Our classroom themes are Spring brings new life and Animals and their babies.

Our Christian Education focus is "The Lord is my shepherd" Psalm 23:1. We will learn that like a shepherd cares for and watches over his sheep, the Lord loves us and takes good care of us.

The children are doing an excellent job reading their name and their friends' names. We will continue to work on writing/tracing our own name.

The Playschool class will be joining the Preschool class in our Spring Production of The 3 Piggy Opera. The children are working hard on learning their new songs. The Opera is Thursday, May 19 at 6:30 at the church. I will be sending home more details for the event as it gets closer.

Registration for the 2022-2023 School year is opened. We have added afternoon PlaySchool and PreSchool classes for Fall. Details are available on the website and FaceBook page. Thank you for helping us spread the word about our program.

In His Love,
